

# Design

A large, stylized graphic of the word "NOW" repeated multiple times in a grid pattern. The text is white with a black outline, set against a background of red and black checkered squares. The letters are bold and blocky, creating a high-contrast, visually busy effect.

B23

## Arhitektura XXI veka

U novobeogradskom bloku 23, preko puta Arene, podignut je najrepzentativniji objekat u Beogradu, namenjen poslovnim korisnicima sa visokim zahtevima kada su standardi radnog okruzenja u pitanju. B23 Office Park je savremeno arhitektonsko recenje sa primenjenim najsavremenijim sistemima, elementima i materijalima koji omogucavaju jedinstvenu estetiku i funkcionalnu nezavisnost projektovanih prostora. Uz izuzetne standarde oblikovanja, materijalizacije i funkcionalnosti koja je prioritet, B23 Office Park je mnogo vice od toga - to je ekskluzivan poslovni prostor, dructvo najboljih i VIP tretman svih korisnika.

## Architecture for XXI Century

Right across from the Arena in Novi Beograd area, Blok 23, unlike any other building in Belgrade, B23 Office Park, sophisticated business center is designed with the goal to provide world class offices for demanding commercial residents by fulfilling the highest standards of efficiency and luxury at the same time.

Complex B23 is presented with contemporary architecture for office use, with sophisticated systems, materials and elements applied to achieve a unique aesthetic approach, flexibility and functional independence of the designed space.

In addition to the highest standards in design, construction and functionality as the most important prerequisites, B23 Office Park offers much more to its users - its VIP environment and prestigious office area.

# *CEE On boarding* Minimum standards

---

## Goals:

---

- Positive new joiners experience
- Rapid integration process of individuals and teams
- Maximising new joiners' productivity & increase quality of work
- Increase new joiners' long term retention & decrease costs of recruiting & training
- Increase new joiners' long term satisfaction & employee engagement & loyalty
- Consistency across CEE
- Minimising the admin work

---

## Communication:

---

- Special focus on communication with territory onboarding specialists – sharing best practices and enforcing minimum standards
- New joiner's calendar
- CEE Intranet page for new joiners

---

## Dependencies:

---

Leti nam priroda na svom  
vrhuncu u malinogorjima Srbije  
daruje plodove koji su eliksir  
zdravlja i dugovečnosti.

Zašto taj eliksir ne bi koristili  
tokom cele godine, a ne samo leti?

Neponovljiv i prepoznatljiv ukus  
srpskih malina uvek vam može  
biti dostupan sa kompotima

Ukus Leta

Prijatno!
